Re: Final Outer Continental Shelf (OCS) Air Quality Permit issued for South Fork Wind, LLC's construction and operation of a 130 MW Windfarm in Federal Waters.

Dear Mr. Mastria:

Enclosed is your final OCS air quality permit issued pursuant to the federal Clean Air Act and implementing regulations at 40 C.F.R. part 55. Your permit is effective February 20, 2022, unless a timely petition for review is filed with EPA's Environmental Appeals Board pursuant to the procedures in 40 C.F.R. §124.19. *See* 40 C.F.R. §124.15 (issuance and effective date of permit). A copy of the regulations is enclosed for your convenience. You may obtain electronic copies of the final permit, response to comment document, fact sheet, application and other supporting documents on EPA's web site at <https://www.epa.gov/caa-permitting/cpa-issued-caa-permits-region-1>.

If you wish to appeal this permit to the Environmental Appeals Board pursuant to 40 C.F.R. § 124.19, please refer to the regulations and to materials on the website of the Environmental Appeals Board (<http://www.epa.gov/eab>) for information concerning procedural and substantive requirements applicable to permit appeals.

We appreciate your comments on the draft OCS air quality permit. We have included a response to your written comments in the response to comment document. Should you have any questions concerning the permit, feel free to contact Patrick Bird at 617-918-1287.

Sincerely,

**DEBORAH
